Experience the perfect blend of luxury, performance, and true Canadian craftsmanship. RVC's sleek exterior features a striking fiberglass front cap with enclosed propane tanks, durable fiberglass fender skirts, rubber torsion axles, and thermopane windows.

Step inside and discover a space that feels both refined and functional. Beautiful modular cabinetry with soft-close doors and drawers surrounds a warm, inviting interior featuring plush theatre seating and a spacious dinette with hidden storage. The gourmet kitchen is equipped with a 10.7 cu. ft. refrigerator, a 21" oven with cooktop, and a cleverly concealed pantry. With ample storage throughout and refined finishes at every turn, this Canadian-built trailer redefines what it means to travel in style.
